DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicants election filed on 4/27/05 has been fully considered and entered into the application.

Applicants have elected group 50 with traverse, and further elected specific sequences for each CDR. Applicants have elected heavy chain CDR3 (9) as SEQ ID NO: 8, wherein 1 is G; and 2 is L. However, the SEQ ID NO: 8 does not recite that 2 is L. For example, see claim 5, heavy chain CDR3 sequence of SEQ ID NO: 8 in which 2 is K or R. Thus, the response is considered as non-responsive. Applicants are requested to elect a single specific sequence.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Padmashri Ponnaluri whose telephone number is 571-272-0809. The examiner is on Increased Flex Schedule and can normally be reached on Monday through Friday between 7 AM and 3.30 PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Wang can be reached on 571-272-0811. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
